Members will be notified by email in advance of the delivery, and are charged for the allocation upon dispatch.

Terms of membership

There is no membership fee, but in joining the Allocation you will be sent a 'joining order' of your preferred wines, when available, and will then receive your nominated allocation of wines on release each year (around September/October) By joining, you confirm that you are aged 18 years or over, and acknowledge that your wine allocation will be automatically charged to your credit card.

As a member, you must let us know if your contact details, delivery address, or credit card information changes to ensure that you continue to receive communication from Tolpuddle Vineyard and that your wine reaches you each year.

You may let us know at any time, by email, if you wish to change or cancel your Allocation without penalty. We will attempt to contact you before the annual dispatch, however if we don't hear from you, then your Allocation will be processed automatically each year.

In becoming an Allocation Member, you agree to receive offers and updates from us, by email, sms, phone or post, until such time as you choose to opt out.
